

# The Kinetic ULTRA KINETIC Water Softener

Rating:

**35,000+** litres softened water/24 hours

Hugely efficient.  
Unrivalled high technology.

No electrical controls.

Water consumption-driven.

Very economical (0.5Kgs salt per regen. cycle).

Typical performance treating a water supply at  
300ppm ( $\text{CaCO}_3$ ):

Continuous : 22 litres/min

Peak flow: 36 litres/min

Dimensions:

H - 920mm

Ø - 460 mm

The unique  
Kinetic  
By-pass/Control  
valve
